Wine Grid Storage Metal Rack

S-120

- Metal, grated bottle racks, protected by an anti-rust paint. (black or silver) 3.75" x 3.75" openings. Can support Standard and Champagne bottles. Also available with 5.5" x 5.5" opening for Magnum bottles.
- Special reversible wall-mounting system to ensure rack position at the proper angle in order to keep the wine in contact with the cork. Bottles can be inserted bottom-first or head-first.
- Includes stained maple base at the proper angle.
- Cost-efficient storage solution.
